Liste des espèces aviaires rapportées sur le territoire Eeyou Istchee Baie-James

Source : Commission régionale sur les ressources naturelles et le territoire de la Baie-James, 2010.

Nom commun français	Nom commun anglais	Nom scientifique	Occurrence saisonnière
Oie des neiges		<i>Chen caerulescens</i>	Present during migration
Grande oie des neiges		<i>Chen caerulescens atlantica</i>	Present during migration
Petite oie des neiges		<i>Chen caerulescens caerulescens</i>	Present during migration
Bernache cravant		<i>Branta bernicla</i>	Present during migration
Bernache nonnette		<i>Branta leucopsis</i>	(Rare/Accidental)
Bernache du Canada		<i>Branta canadensis</i>	Present during summer
Bernache de Hutchins		<i>Branta hutshinsii</i>	Present during migration
Cygne siffleur		<i>Cygnus columbianus</i>	Present during migration
Canard branchu		<i>Anas sponsa</i>	Present during summer
Canard chipeau		<i>Anas strepera</i>	Present during migration (Rare/Accidental)
Canard d'Amérique		<i>Anas americana</i>	Present during summer
Canard noir		<i>Anas rubripes</i>	Present during summer
Canard colvert		<i>Anas platyrhynchos</i>	Present during summer
Hybride canard colvert-noir		-	Present during summer
Sarcelle à ailes bleues		<i>Anas discors</i>	Present during summer
Canard souchet		<i>Anas clypeata</i>	Present during summer
Canard pilet		<i>Anas acuta</i>	Present during summer
Sarcelle d'hiver		<i>Anas crecca</i>	Present during summer
Fuligule à dos blanc		<i>Aythya valisineria</i>	Present south of territory during migration (Rare/Accidental)
Fuligule à tête rouge		<i>Aythya americana</i>	Present south of territory during migration (Rare/Accidental)
Fuligule à collier		<i>Aythya collaris</i>	Present during summer
Fuligule milouinan		<i>Aythya marila</i>	Present during summer and migration
Petit Fuligule		<i>Aythya affinis</i>	Present during summer
Eider à duvet		<i>Somateria mollissima</i>	Present during summer
Macreuse à front blanc		<i>Melanitta perspicillata</i>	Present during summer
Macreuse brune		<i>Melanitta fusca</i>	Present during summer
Macreuse noire		<i>Melanitta nigra</i>	Present during migration

Nom commun français	Nom commun anglais	Nom scientifique	Occurrence saisonnière
Harelde kakawi		<i>Clangula hyemalis</i>	Present during summer and migration
Arlequin plongeur		<i>Histrionicus histrionicus</i>	Present during summer
Petit Garrot		<i>Bucephala albeola</i>	Present during summer
Garrot à œil d'or		<i>Bucephala clangula</i>	Present during summer
Garrot d'Islande		<i>Bucephala islandica</i>	Present during summer
Harle couronné		<i>Lophodytes cucullatus</i>	Present during summer
Grand Harle		<i>Mergus merganser</i>	Present during summer
Harle huppé		<i>Mergus serrator</i>	Present during summer
Érismature rousse		<i>OXYura jamaicensis</i>	Present during summer and migration (Rare/Accidental)
Gélinotte huppée		<i>Bonasa umbellus</i>	Present during summer
Tétras du Canada		<i>Falciennis canadensis</i>	Present during summer
Lagopède des saules		<i>Lagopus lagopus</i>	Present during winter
Lagopède alpin		<i>Lagopus muta</i>	Present during winter
Tétras à queue fine		<i>Tympanuchus phasianellus</i>	Resident
Plongeon catmarin		<i>Gavia stellata</i>	Present during summer
Plongeon du Pacifique		<i>Gavia pacifica</i>	Present during summer
Plongeon huard		<i>Gavia immer</i>	Present during summer
Grèbe à bec bigarré		<i>Podilymbus podiceps</i>	Present during summer (Rare/Accidental)
Grèbe esclavon		<i>Podiceps auritus</i>	Present during summer (Rare/Accidental)
Grèbe jougris		<i>Podiceps grisegena</i>	Present during summer (Rare/Accidental)
Cormoran à aigrettes		<i>Phalacrocorax auritus</i>	Present during summer
Butor d'Amérique		<i>Botaurus lentiginosus</i>	Present during summer
Grand Héron		<i>Ardea herodias</i>	Present during summer
Bihoreau gris		<i>Nycticorax nycticorax</i>	Present during summer (Rare/Accidental)
Urubu à tête rouge		<i>Cathartes aura</i>	Present during summer (Rare/Accidental)
Urubu noir		<i>Coragyps atratus</i>	Present during summer (Rare/Accidental)
Balbusard pêcheur		<i>Pandion haliaetus</i>	Present during summer
Pygargue à tête blanche		<i>Haliaeetus leucocephalus</i>	Present during summer

Nom commun français	Nom commun anglais	Nom scientifique	Occurrence saisonnière
Busard Saint-Martin		<i>Circus cyaneus</i>	Present during summer
Épervier brun		<i>Accipiter striatus</i>	Present during summer
Autour des palombes		<i>Accipiter gentilis</i>	Resident
Petite Buse		<i>Buteo platypterus</i>	Present during summer (Rare/Accidental)
Buse à queue rousse		<i>Buteo jamaicensis</i>	Present during summer
Buse pattue		<i>Buteo lagopus</i>	Present during summer
Aigle royal		<i>Aquila chrysaetos</i>	Present during summer
Crécerelle d'Amérique		<i>Falco sparverius</i>	Present during summer
Faucon émerillon		<i>Falco columbarius</i>	Present during summer
Faucon gerfaut		<i>Falco rusticolus</i>	Present during winter
Faucon pèlerin (anatum)		<i>Falco peregrinus anatum</i>	Present during migration
Faucon pèlerin (tundrius)		<i>Falco peregrinus tundrius</i>	Present during migration
Râle jaune		<i>Coturnicops noveboracensis</i>	Present during summer
Marouette de Caroline		<i>Porzana carolina</i>	Present during summer
Gallinule poule-d'eau		<i>Gallinula chloropus</i>	Present during summer (Rare/Accidental)
Foulque d'Amérique		<i>Fulica americana</i>	Present during summer
Grue du Canada		<i>Grus canadensis</i>	Present during summer
Pluvier argenté		<i>Pluvialis squatarola</i>	Present during migration
Pluvier bronzé		<i>Pluvialis dominica</i>	Present during migration
Pluvier semipalmé		<i>Charadrius semipalmatus</i>	Present during summer and migration
Pluvier kildir		<i>Charadrius vociferus</i>	Present during summer
Chevalier grivelé		<i>Actitis macularius</i>	Present during summer
Chevalier solitaire		<i>Tringa solitaria</i>	Present during summer
Chevalier semipalmé		<i>Catoptrophorus semipalmatus</i>	(Rare/Accidental)
Grand Chevalier		<i>Tringa melanoleuca</i>	Present during summer and migration
Petit Chevalier		<i>Tringa flavipes</i>	Present during summer and migration
Maubèche des champs		<i>Bartramia longicauda</i>	Present during summer (Rare/Accidental)
Courlis esquimau		<i>Numenius borealis</i>	Present during migration (Rare/Accidental)

Nom commun français	Nom commun anglais	Nom scientifique	Occurrence saisonnière
Courlis corlieu		<i>Numenius phaeopus</i>	Present during migration
Barge hudsonienne		<i>Limosa haemastica</i>	Present during migration
Barge marbrée		<i>Limosa fedoa</i>	Present during summer
Tournepierrre à collier		<i>Arenaria interpres</i>	Present during migration
Bécasseau maubèche		<i>Calidris canutus</i>	Present during migration
Bécasseau sanderling		<i>Calidris alba</i>	Present during migration
Bécasseau semipalmé		<i>Calidris pusilla</i>	Present during summer and migration
Bécasseau minuscule		<i>Calidris minutilla</i>	Present during summer and migration
Bécasseau à croupion blanc		<i>Calidris fuscicollis</i>	Present during migration
Bécasseau de Baird		<i>Calidris bairdii</i>	Present during migration
Bécasseau à poitrine cendrée		<i>Calidris melanotos</i>	Present during migration
Bécasseau violet		<i>Calidris maritima</i>	Present during migration (Rare/Accidental)
Bécasseau variable		<i>Calidris alpina</i>	Present during migration
Bécasseau d'Alaska		<i>Calidris mauri</i>	Present during migration (Rare/Accidental)
Bécasseau à échasse		<i>Calidris himantopus</i>	Present during migration
Bécasseau roussâtre		<i>Tryngites subruficollis</i>	Present during migration
Bécassin rouX		<i>Limnodromus griseus</i>	Present during summer and migration
Bécassin à long bec		<i>Limnodromus scolopaceus</i>	Present during migration
Bécasse d'Amérique		<i>Scolopax minor</i>	Present during summer
Bécassine de Wilson		<i>Gallinago delicata</i>	Present during summer
Phalarope de Wilson		<i>Phalaropus tricolor</i>	Present during summer and migration (Rare/Accidental)
Phalarope à bec étroit		<i>Phalaropus lobatus</i>	Present during summer and migration
Phalarope à bec large		<i>Phalaropus fulicarius</i>	(Rare/Accidental)
Mouette de Bonaparte		<i>Chroicocephalus philadelphia</i>	Present during summer
Mouette pygmée		<i>Larus minutus</i>	Present during summer
Mouette de Franklin		<i>Leucophaeus pipixcan</i>	Present during summer (Rare/Accidental)
Mouette tridactyle		<i>Rissa tridactyla</i>	(Rare/Accidental)
Goéland à bec cerclé		<i>Larus delawarensis</i>	Present during summer

Nom commun français	Nom commun anglais	Nom scientifique	Occurrence saisonnière
Goéland argenté		<i>Larus argentatus</i>	Present during summer
Goéland arctique		<i>Larus glaucoides</i>	Present during migration
Goéland bourgmestre		<i>Larus hyperboreus</i>	Present during migration
Goéland marin		<i>Larus marinus</i>	
Guifette noire		<i>Chlidonias niger</i>	Present during summer (Rare/Accidental)
Sterne pierregarin		<i>Sterna hirundo</i>	Present during summer
Sterne arctique		<i>Sterna paradisaea</i>	Present during summer and migration
Sterne caspienne		<i>Sterna caspia</i>	Present during summer (rare au Québec)
Guillemot à miroir		<i>Cephus grylle</i>	Resident
Pigeon biset		<i>Columba livia</i>	Resident (low abundance)
Tourterelle triste		<i>Zenaida macroura</i>	Present during summer
Grand-duc d'Amérique		<i>Bubo virginianus</i>	Resident
Harfang des neiges		<i>Bubo scandiacus</i>	Present during winter
Chouette épervière		<i>Surnia ulula</i>	Resident
Chevêche des terriers		<i>Athene cunicularia</i>	Present during summer (Rare/Accidental)
Chouette rayée		<i>Strix varia</i>	Resident
Chouette lapone		<i>Strix nebulosa</i>	Resident
Hibou moyen-duc		<i>Asio otus</i>	Present during summer (Rare/Accidental)
Hibou des marais		<i>Asio flammeus</i>	Present during summer
Nyctale de Tengmalm		<i>Aegolius funereus</i>	Resident
Petite Nyctale		<i>Aegolius acadicus</i>	Present during summer (Rare/Accidental)
Engoulevent d'Amérique		<i>Chordeiles minor</i>	Present during summer
Martinet ramoneur		<i>Chaetura pelagica</i>	Present during summer (Rare/Accidental)
Colibri à gorge rubis		<i>Archilochus colubris</i>	Present during summer (Rare/Accidental)
Martin-pêcheur d'Amérique		<i>Megaceryle alcyon</i>	Present during summer
Pic maculé		<i>Sphyrapicus varius</i>	Present during summer
Pic mineur		<i>Picoides pubescens</i>	Resident
Pic chevelu		<i>Picoides villosus</i>	Resident

Nom commun français	Nom commun anglais	Nom scientifique	Occurrence saisonnière
Pic à dos rayé		<i>Picoides dorsalis</i>	Resident
Pic à dos noir		<i>Picoides arcticus</i>	Resident
Pic flamboyant		<i>Colaptes auratus</i>	Present during summer
Grand pic		<i>Dryocopus pileatus</i>	Resident (Rare/Accidental)
Moucherolle à côtés olive		<i>Contopus cooperi</i>	Present during summer
Moucherolle à ventre jaune		<i>Empidonax flaviventris</i>	Present during summer
Moucherolle des aulnes		<i>Empidonax alnorum</i>	Present during summer
Moucherolle tchébec		<i>Empidonax minimus</i>	Present during summer
Moucherolle phébi		<i>Sayornis phoebe</i>	(Rare/Accidental)
Tyran tritri		<i>Tyrannus tyrannus</i>	Present during summer
Tyran à longue queue		<i>Tyrannus forficatus</i>	Present during summer (Rare/Accidental)
Pie-grièche grise		<i>Lanius excubitor</i>	Present during summer and migration
Viréo à tête bleue		<i>Vireo solitarius</i>	Present during summer
Viréo de Philadelphie		<i>Vireo philadelphicus</i>	Present during summer
Viréo aux yeux rouges		<i>Vireo olivaceus</i>	Present during summer
Mésangeai du Canada		<i>Perisoreus canadensis</i>	Resident
Geai bleu		<i>Cyanocitta cristata</i>	Present during summer (Rare/Accidental)
Pie d'Amérique		<i>Pica hudsonia</i>	(Rare/Accidental)
Corneille d'Amérique		<i>Corvus brachyrhynchos</i>	Present during summer
Grand Corbeau		<i>Corvus corax</i>	Resident
Alouette hausse-col		<i>Eremophila alpestris</i>	Present during summer and migration
Hirondelle bicolore		<i>Tachycineta bicolor</i>	Present during summer
Hirondelle de rivage		<i>Riparia riparia</i>	Present during summer
Hirondelle rustique		<i>Hirundo rustica</i>	Present during summer
Mésange à tête noire		<i>Poecile atricapillus</i>	Resident
Mésange à tête brune		<i>Poecile hudsonicus</i>	Resident
Sittelle à poitrine rousse		<i>Sitta canadensis</i>	Present during summer and during summer south of 50th parallel approximatively.
Grimpereau brun		<i>Certhia americana</i>	Present during summer

Nom commun français	Nom commun anglais	Nom scientifique	Occurrence saisonnière
Troglodyte mignon		<i>Troglodytes troglodytes</i>	Present during summer
Roitelet à couronne dorée		<i>Regulus satrapa</i>	Present during summer
Roitelet à couronne rubis		<i>Regulus calendula</i>	Present during summer
Merlebleu de l'Est		<i>Sialia sialis</i>	Present during summer (Rare/Accidental)
Grive à joues grises		<i>Catharus minimus</i>	Present during summer and migration
Grive à dos olive		<i>Catharus ustulatus</i>	Present during summer
Grive solitaire		<i>Catharus guttatus</i>	Present during summer
Grive fauve		<i>Catharus fuscescens</i>	Present during summer
Merle d'Amérique		<i>Turdus migratorius</i>	Present during summer
Moqueur polyglotte		<i>Mimus polyglottos</i>	Present during summer (Rare/Accidental)
Étourneau sansonnet		<i>Sturnus vulgaris</i>	Present during summer
Pipit d'Amérique		<i>Anthus rubescens</i>	Present during summer and migration
Jaseur boréal		<i>Bombycilla garrulus</i>	Present during winter south of 52th parallel and during summer north of 52th parallel
Jaseur d'Amérique		<i>Bombycilla cedrorum</i>	Present during summer
Paruline obscure		<i>Vermivora peregrina</i>	Present during summer
Paruline verdâtre		<i>Vermivora celata</i>	Present during summer
Paruline à joues grises		<i>Vermivora ruficapilla</i>	Present during summer
Paruline jaune		<i>Dendroica petechia</i>	Present during summer
Paruline à flancs marron		<i>Dendroica pensylvanica</i>	Present during summer
Paruline à tête cendrée		<i>Dendroica magnolia</i>	Present during summer
Paruline tigrée		<i>Dendroica tigrina</i>	Present during summer
Paruline à croupion jaune		<i>Dendroica coronata</i>	Present during summer
Paruline à gorge noire		<i>Dendroica virens</i>	Present during summer
Paruline à gorge orangée		<i>Dendroica fusca</i>	Present during summer (Rare/Accidental)
Paruline à joues grises		<i>Vermivora ruficapilla</i>	Present during summer
Paruline jaune		<i>Dendroica petechia</i>	Present during summer
Paruline à flancs marron		<i>Dendroica pensylvanica</i>	Present during summer
Paruline à tête cendrée		<i>Dendroica magnolia</i>	Present during summer

Nom commun français	Nom commun anglais	Nom scientifique	Occurrence saisonnière
Paruline tigrée		<i>Dendroica tigrina</i>	Present during summer
Paruline à croupion jaune		<i>Dendroica coronata</i>	Present during summer
Paruline à gorge noire		<i>Dendroica virens</i>	Present during summer
Paruline à couronne rousse		<i>Dendroica palmarum</i>	Present during summer
Paruline à poitrine baie		<i>Dendroica castanea</i>	Present during summer
Paruline rayée		<i>Dendroica striata</i>	Present during summer
Paruline noir et blanc		<i>Mniotilta varia</i>	Present during summer
Paruline flamboyante		<i>Setophaga ruticilla</i>	Present during summer
Paruline couronnée		<i>Seiurus aurocapilla</i>	Present during summer
Paruline des ruisseauX		<i>Seiurus noveboracensis</i>	Present during summer
Paruline à gorge grise		<i>Oporornis agilis</i>	Present during summer
Paruline triste		<i>Oporornis philadelphia</i>	Present during summer
Paruline masquée		<i>Geothlypis trichas</i>	Present during summer
Paruline à calotte noire		<i>Wilsonia pusilla</i>	Present during summer
Paruline du Canada		<i>Wilsonia canadensis</i>	Present during summer
Bruant hudsonien		<i>Spizella arborea</i>	Present during summer and migration
Bruant familial		<i>Spizella passerina</i>	Present during summer
Bruant vespéral		<i>Pooecetes gramineus</i>	Present during summer (Rare/Accidental)
Bruant des prés		<i>Passerculus sandwichensis</i>	Present during summer
Bruant de Le Conte		<i>Ammodramus leconteii</i>	Present during summer (Rare/Accidental)
Bruant de Nelson		<i>Ammodramus nelsoni</i>	Present during summer
Bruant fauve		<i>Passerella iliaca</i>	Present during summer and migration
Bruant chanteur		<i>Melospiza melodia</i>	Present during summer
Bruant de Lincoln		<i>Melospiza lincolni</i>	Present during summer
Bruant des marais		<i>Melospiza georgiana</i>	Present during summer
Bruant à gorge blanche		<i>Zonotrichia albicollis</i>	Present during summer
Bruant à face noire		<i>Zonotrichia querula</i>	Present during migration (Rare/Accidental)
Bruant à couronne blanche		<i>Zonotrichia leucophrys</i>	Present during summer and migration

Nom commun français	Nom commun anglais	Nom scientifique	Occurrence saisonnière
Junco ardoisé		<i>Junco hyemalis</i>	Present during summer
Bruant lapon		<i>Calcarius lapponicus</i>	Present during summer and migration
Bruant de Smith		<i>Calcarius pictus</i>	Present during migration (Rare/Accidental)
Bruant des neiges		<i>Plectrophenax nivalis</i>	Present during migration
Sturnelle des prés		<i>Steunella magna</i>	Present during summer (Rare/Accidental)
Carouge à épaulettes		<i>Agelaius phoeniceus</i>	Present during summer
Carouge à tête jaune		<i>Xanthocephalus Xanthocephalus</i>	Present during summer
Quiscale rouilleuX		<i>Euphagus carolinus</i>	Present during summer
Quiscale bronzé		<i>Quiscalus quiscula</i>	Present during summer
Vacher à tête brune		<i>Molothrus ater</i>	Present during summer
Durbec des sapins		<i>Pinicola enucleator</i>	Resident south of 51th parallel and during summer north of 51th parallel
Roselin pourpré		<i>Carpodacus purpureus</i>	Present during summer
Bec-croisé des sapins		<i>Loxia curvirostra</i>	Resident (Rare/Accidental)
Bec-croisé bifascié		<i>Loxia leucoptera</i>	Resident
Sizerin flammé		<i>Acanthis flammea</i>	Present during winter south of 52th parallel and resident north of 52th parallel
Sizerin blanchâtre		<i>Acanthis hornemanni</i>	Present during winter
Tarin des pins		<i>Spinus pinus</i>	Resident south of 50th parallel and during summer north of 50th parallel
Chardonneret jaune		<i>Spinus tristis</i>	Present during summer
Chardonneret élégant		<i>Carduelis carduelis</i>	Present during summer (non native)
Gros-bec errant		<i>Coccothraustes vespertinus</i>	Present during summer
Moineau domestique		<i>Passer domesticus</i>	Resident (non native)
